Personality Advancement Circle of Engineers (PACE)

Introduction:

Walchand College of Engineering, Sangli is one of the most reputed and recognized educational hub in India. It ranks among the top-most institutions for producing the finest engineers in the state of Maharashtra and thus it enjoys the widespread base of Alumnis working as key policy-makers of various prestigious organizations around the globe.

Walchand College aims to increase the skillset of the engineers they produce and keep them on the technological as well as managerial edge in the rapidly evolving trends of the corporate world.

Personality Advancement Circle of Engineers (PACE) is a renowned, non-profit student body in Walchand College of Engineering, Sangli. As the name suggests, our club is dedicated to nurturing several of the aspects and personality traits essential to a professional such as interpersonal skills, time and resource management, crisis management, social skills, marketing skills and we keep on adding more number of skills to learn and preach in our yearly activities to keep growing with the world. Right from its establishment in 1994, PACE has created its own distinguished identity with its relentless efforts in the direction towards the said objectives through its activities and events, being conducted throughout the year.

In its 24 years of tenure, PACE has grown as a brand known for its innovative ideas in its events and activities to bring development of the people in various domains. PACE has not been limited to Walchand College. PRUDENCE has become an event known for its diverse and challenging but personality grooming events.

Activities conducted by PACE

1. PAC (PACE Assistance Counter):

PACE provides assistance to the freshmen in their admission to Walchand College by getting them acquainted with the admission procedure, college rules, time-tables and getting them familiar with the college campus and its surroundings. This activity is also about assisting the college authorities and staff in conducting the admission process in a smooth manner.

2. Voice of College:

We provide an opportunity for the freshmen to showcase their opinions and views while promoting stage-confidence and boosting their confidence by offering some tested and applied tricks to rule the stage.

3. Stand-Out:

Stand-Out is a one-of-a-kind event in the entire domain of technical education meant for First Year students. A workshop meant to act as a kick-starter for freshmen in field of management and personality advancement. Soft skills like professional writing forms, presentations and problem solving abilities are enhanced through multiple learning as well as hands-on sessions.

4. Weekly Meet-ups:

These 2 hour long sessions conducted on a weekly basis are a gateway to discussions that stimulate critical thinking and analysis of topics from various domains such as Current Affairs, Economics, Global Issues, Politics, History, Psychology, Literature and many such topics from a diversity of options that are interesting and useful to students. Group discussions, Debates, Parliamentary Sessions, Quizzes and mock Pitching events are conducted to create a healthy competitive environment.

5. Aspire:

This event represents a simulation of the campus recruitment process conducted by PACE for students aspiring to seek campus placements. A meticulously designed set of questions tailored for the need of students according to prevailing trends and necessities as well as respective branches in terms of Technical and General Aptitude are given to students followed by an interview experience which mimic the real process. The assessment from this event helps students analyse their strengths and weaknesses and attempt the actual recruitment process with more confidence and preparation.

6. Happy-to-Help Day:

The day is celebrated to provide a helping hand to the needy through some social cause just like donating books or clothes. This is also for creating social awareness in the locality.

7. Social Campaigns:

“It’s never too late” was an initiative by PACE to share our social responsibility and create awareness among people. It mainly focused on cleanliness in Aamrai premises, visit to orphanage and old-age house.

8. PRUDENCE:

PRUDENCE is the **State Level Management Fest** organized by **PACE**. An event which aims at fostering managerial skills of youth in its carnival of intellectuals. Since 2001, PACE has the legacy of organizing a unique mega-event **PRUDENCE**, which has **become the brand-name** in student world of Maharashtra. **PRUDENCE** includes extensively varied **sectors of professional life**, right from economics, entrepreneurship, marketing, debate, national-international politics & governance, social responsibilities, journalism, environment etc. through its **sub-events, seminars, workshops and guest lectures** from erudite personalities, in the month of March, every year.

One after the other state of art conducts of PRUDENCE and its extensive coverage makes it an **assemblage of dynamic innovative minds**, gathering from **Mumbai, Kokan, West-Maharashtra and Northwest Karnataka** and many more regions belonging to almost all streams of education, right from **management, engineering, journalism, arts, law, basic sciences and commerce**.

PRUDENCE 2K18

Event Details:

PRUDENCE 2K18 consists of 5 distinct events succeeding the Prudence Seminar. These events are meant to test different personality traits and skills among the participants by providing scenarios, challenges and virtual resources to come up with solutions and that too with some constraints to keep things interesting. The individual events include:

- 1. The Fourth Estate-** An event to extend the working of how each media resource works to bring us to the most legitimate information from across the globe.
- 2. Utopia** - An event to understand the different governments and presenting a solution for creating a unified global body which will replace individual governances.
- 3. The Cubical** - An event in which the freshmen students will go through several tasks which make them familiar with the challenges and skills required in an office environment in any domain.
- 4. Verbattle 2.0** - This event is meant to test the conviction of a participant by producing various situations and substituting different conditions on one.
- 5. XQuizIt** - It is a quiz event where different formats of quizzing will be conducted to test the knowledge of a participant via a broad spectrum of questions.
- 6. Prudence Seminar** - The Prudence Seminar is the first event which demarcates the beginning of the 2 day long fiesta by the guest speaker for this year, **Mr. Chanrashekhar Tilak.**

With the vast diversity, uniqueness and individuality in the character of every event; along with the activities that follow up to the days of Prudence, we expect to attract a crowd of at least 2000 attendees for **PRUDENCE 2K18**. The event is under development since November 2017 and will be conducted on **9th, 17th and 18th of March, 2018.**

PRUDENCE 2K18 Draft A Fiesta for Reckoners...

Respected Sir,

PACE is an organization dedicated for nurturing all aspects of a professional's personality since 1994. We have been organizing an event named PRUDENCE. It is the State level Management Fest which aims at fostering managerial skills of youth in its carnival of intellectuals. And this document is drafted to brief you about our college, PACE and its activities in which your sponsorship may lead to mutual benefit of your organization as well as PACE.

Previously PRUDENCE included events which concentrated on improving the personality and Entrepreneurial skills of participants. It was a two days event held on [1st and 2nd of April, 2016]. We are currently in the early stage of planning our event for upcoming year. This event will also include such type of sub-events. In the success of our organization sponsors also plays a vital role. We have been fortunate in past years to have such support and we are hopeful that this year will be no exception. We would like to ask you for becoming one of our sponsors for PRUDENCE 2018. As a sponsor, you will receive positive media attention, In addition, every sponsor will at least be reached to a descent count of target audience of around 2000 and will be promoted through PACE BOOKLET (An article which will remain with students for their entire engineering life) and through other possible ways that have been included in detail in our sponsorship draft. Along with this every sponsor will be contributing to a social cause initiated by PACE.

We have included a draft and detailed sponsorship proposal for review. If you are interested in becoming a sponsor, please do contact us. Thank you in advance for taking the time to review our sponsorship proposal package.

Sincerely,
Shivam Sood,
([Chief Program Director in Events]),
PACE.
